Important Security Tips

We hope you and your families have been staying safe and healthy during this global pandemic. The markets have recovered some from their March bottom, and parts of the economy are beginning to slowly reopen across the country.

There are still a lot of challenges we continue to face in dealing with the COVID-19 crisis. One of these relates to cybersecurity. There are criminals shamelessly leveraging this

tragedy for money, so it is important to be careful and aware of the following [Coronavirus Scams](#).

Also, with more people doing financial transactions on-line using Venmo and PayPal, we advise following [THESE](#) recommendations.

We hope these two pieces are helpful in continuing to protect your personal financial information. Both these documents are courtesy of SEI Investment Company and the National Security Institute, Inc.

**Best Regards
The Parkhurst Financial Team**
